Mounting of the cabinet / delivery furniture

Want to pick up the furniture yourself? That is fun and for free.

If you want you can pick up the furniture yourself at the workshop where the collection is made. It's a good experience because you can see how your furniture is made and you probably meet the maker.

Address workshop Maliegilde:
Dokterwelferweg 110 A, Unit W
3615 AR
Westbroek

It is possible to mount the cabinet yourself, but this will be done at own risk. An instruction guide will be made for this purpose.

Mounting and delivery done by us.

For the mounting of the cabinet a rate is calculated of € 45 per hour, per installer. The mounting of the cabinet is usually done by two installers.

Average assembly time cabinet:

Presumably the shelves of the cabinet can be slid in from the side, if the wall to the left or to the right of the cabinet has the length of a shelf space. In that case, the mounting takes approximately 4 man hours. If this is not the case (think of a brick wall, or an irregular wall), the assembly will likely take longer.

Travel expenses will be calculated for all deliveries and assemblies outside of Utrecht.

Per kilometer will be charged if assembly cabinet	€ 0.30,-
Only delivery, per kilometer	€ 0.65,-

Example

In case of mounting a cabinet in Amsterdam the following will be charged:
